What wildlife can you see? There is lots of wildlife in the countryside and on farms. We can also see wildlife in towns and cities too. Use the guide below to look for wildlife in the area you are in. It can be the school grounds, a park or any outdoor area you have access to. Remember, always make sure it is a safe place and that you have an adult with you! If you see something that was not listed below, we have left some space for you to draw a picture of it! Write down how many you saw in the circle.

Robin

Magpie

Blackbird

Snail

House Sparrow
